

A wide-angle photograph of the Great Sphinx in Egypt at dusk. The Sphinx is illuminated from below, casting a warm glow. The sky is a deep blue, and a total solar eclipse is visible in the upper center, with the sun's corona clearly seen. Silhouettes of palm trees are visible on both sides of the Sphinx. In the foreground, a paved walkway leads towards the monument, with a few people walking. The overall atmosphere is serene and historic.

EGYPT ECLIPSE

A once-in-many-lifetimes journey to the longest remaining total solar eclipse of the century in Luxor, and the 8/8 Lion's Gate at the Pyramids of Giza.

SPONSORSHIP DECK

THE INVITATION

Six minutes and twenty-three seconds of darkness over the Nile.

On 2 August 2027 the Sun disappears over Luxor. The world will not see a longer totality on land for another eighty-seven years. We are gathering to meet this moment on purpose, with connection, awe, remembrance, discovery, and intentionality.

DAYS, ASWAN TO GIZA

Totality figures as published by Egypt Eclipse, egypt-eclipse.com

THE PLACE

Totality falls on *the City of the Sun*.

Luxor, one of the oldest continuously inhabited places on Earth, was built over the ruins of Thebes, capital of Egypt during the New Kingdom. We view the eclipse from private land on the West Bank of the Nile, near the Colossi of Memnon, the Valley of the Queens, and the temple of Hatshepsut, Egypt's famous female pharaoh.

THE VOYAGE

Every path leads to the same moment.

Artists, scientists, explorers, builders, and seekers travel the Nile together toward Luxor, where ancient civilizations aligned architecture and daily life with the movement of the sky.

THE ECLIPSE GATHERING

New Moon Opening Ceremony, Eclipse Day, and music into the evening on the West Bank.

7 NIGHTS · 30 JUL TO 6 AUG

THE NILE RIVER CRUISE

Aswan to Luxor and back across two 5-star boats, with temples, talks, and ceremony.

3 NIGHTS · 6 TO 9 AUG

THE GIZA ACTIVATION

Three days at the Pyramids, culminating in the 8/8 Lion's Gate celebration.

THE PROGRAMMING

Ten days between the ancient *and the speculative.*

Not a traditional festival. Music, art, a speaker series, health and wellness, held at a human scale and led by the people in the room.

ON THE RIVER

Temple tours at dawn, talks while sailing the Nile, music in the evenings.

HERITAGE

Egyptologist-led visits to Karnak, Luxor Temple, Edfu, Kom Ombo, Philae, and Abu Simbel.

CEREMONY & WELLNESS

Yoga and breathwork, shared meals, rest, and ceremony around totality.

MUSIC ON THE LAND

Local Egyptian musicians and international DJs after totality on the West Bank.

WHO'S IN THE PATH

A small, global circle of *change-makers.*

Heart-centered artists, social impact entrepreneurs, world musicians, and conscious capitalists. Egypt is intentionally intimate, so partners meet the room face to face over ten days.
